Inclusion Policy

JAFAX staff are proud to support and protect its staff and attendees regardless of race, religion, sexuality, or gender identity and are constantly working to make our event safe and enjoyable for everyone involved.

Our convention is proud to partner with the Federal Government and the State of Michigan in supporting breastfeeding mothers. Mothers are encouraged to nourish their breastfeeding children whenever works best for their family. We do provide an area (that is not a restroom) for mothers who desire privacy. Below we have linked a copy of the Michigan breastfeeding anti-discrimination act for anyone who would like to review it. <http://www.legislature.mi.gov/documents/2013-2014/publicact/pdf/2014-PA-0197.pdf>

We will make the best effort to get everyone going where they want to go and doing what they want to do. Our venue is fully accessible, and we are prepared to offer further accommodation where needed.

We do not support harassment of any kind.

Harassment includes, but is not limited to:

“Disrespectful, dismissive, or offensive verbal comments related to gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, race, religion, and family structure; Sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, unwelcome sexual attention, belittling one’s fandom or expression thereof, and advocating for, or encouraging, any of the above behaviour.”

Participants asked to stop any harassing behavior are expected to comply immediately.

If someone makes you or anyone else feel unsafe or unwelcome, please report it as soon as possible. Conference staff can be identified by special badges, t-shirts, and/or armbands. Harassment and other code

of conduct violations reduce the value of our event for everyone. We want you to be happy at our event. When we get along, our event is a better place.

You can make a personal report by:

- **Leaving a voicemail, or messaging our PR line: (616) 389-0840. This phone number will be continuously monitored for the duration of JAFAX.**
- **Contacting a staff member, identified by STAFF badges, buttons, or shirts.**

When taking a personal report, our staff will ensure you are safe and cannot be overheard. They may involve other event staff to ensure your report is managed properly. Once safe, we’ll ask you to tell us about what happened. This can be upsetting, but we’ll handle it respectfully, and you can bring someone to support you. You won’t be asked to confront anyone and we won’t tell anyone who you are.

Our team will be happy to help you contact hotel/venue security, local law enforcement, local support services, provide escorts, or otherwise assist you to feel safe for the duration of the event. We value your attendance.

Please be advised that Devos Place features gender neutral family restrooms, and any attendee’s choice to use the restroom that best suits their gender identification will be respected.

JAFAX reserves the right revoke the badge of anyone failing to honor the letter and spirit of these policies, those of our convention center and our hotel, and the laws of the Grand Rapids and the State of Michigan.

Pokemon League Adventure

Attention all trainers! Back by popular demand the Pokémon League Adventure has once again opened its doors in the world of Pokémon Scarlet and Violet. Do you have what it takes to challenge our uniquely themed gym leaders and earn their badges? Can you collect enough badges to gain entry into the championship tournament? Only one can become the champion of JAFAX 2024, will it be you? Head over to the Pokémon League Adventure registration area in the game room for more information and to get started on your adventure. Detailed rules can be found on our website (jafax.org/gaming) or via the QR code below.

The 2024 JAFAX Pokémon League will consist of two parts:

- The Gym Leader Challenge
- The JAFAX 2024 Pokémon League Championship

In the Gym Leader Challenge, participants must defeat JAFAX Gym Leaders and obtain their Badges. All participants with 5 or more Badges from distinct gym leaders will then be able to enter the Championship Tournament. Gym Leaders have the authority to make decisions on all questions or issues with competitors as they come up. The battle format may differ between gym leaders to provide fun and varied battle experiences. Note: Trainers may change their team freely during the Gym Leader Challenge.

In the JAFAX 2024 Pokémon League Championship the format will be “Bring Six, Choose Three” Single Battles with Normal Rules (aka Battle Stadium Singles). This will be a Double Elimination Bracket, with each Match being best of three games, but it may be changed to Single Elimination if there is a need to accommodate an unexpectedly large number of finalists. The winner of this tournament will then be able to potentially challenge the winner of the JAFAX 2023 Pokémon League Championship if they are present to defend their title.

Note: Finalists may not change their team composition during the JAFAX 2024 Pokémon League Championship. The JAFAX Pokémon League’s mission is to provide a fun, challenging experience for both veteran and new Pokémon fans. The JAFAX Pokémon League is not endorsed or sponsored by Nintendo, Game Freak, or Pokémon Company.
